

# Strategic Plan Update

## Committee Meeting Notes

March 27-31, 2023

[Kent School District Strategic Plan Steering Committees](#) were assembled to support the strategic plan update process during the 2022-2023 school year. Committee members are tasked with making meaning of the input, feedback and ideas gathered through stakeholder engagement opportunities, and revising draft Strategic Plan content. The following meeting notes summarize the discussions and activities each committee has engaged in during the given week.

### Goal 1: All Students College, Career & Life Ready

---

#### Highlights from March 27, 2023

- Engaged in an icebreaker to identify team mindsets, and discussed the purpose and intended outcomes of goal committees.
- Reviewed the former Strategic Plan, and discussed the key concepts brought forward for this goal area including life readiness for students, services at the elementary and secondary levels, and the measurement of commitments as currently drafted.

#### Next Steps

- Confirm ongoing meeting dates and times.
- Review new draft Strategic Plan once released and prepare to discuss proposed revisions based on community and team feedback.

### Goal 2: Student, Family & Community Engagement

---

#### Next Steps

- Next meeting scheduled for April 6.

### Goal 3: Equitable Systems & Environments

---

#### Next Steps

- Next meeting scheduled for April 4.

## Goal 4: Premier Diverse Workforce

---

### Highlights for March 30, 2023

- Engaged in an activity to document current realities and constraints in the system. Topics included understanding the intersections of our identity, and measures relevant to the goal area and commitments.

### Next Steps

- Review staff climate survey results and Washington Office of Superintendent of Public Instruction (OSPI) data.
- Review new draft Strategic Plan once released and prepare to discuss proposed revisions based on community and team feedback.
