All medication must be brought to school in its original container. If medication is necessary for the student during school hours, the following must be turned in to the school nurse: A completed *Medication Authorization Form* (available online or in the KM nurse's office) **Or** two notes: One from a doctor stating: name of medication, dose, time and reason it must be given during school hours. Another note from the parent/guardian giving permission for your child to receive the prescribed medicine at school.

Students are responsible for their assigned locker and will pay for any damages. Lockers will be assigned through the Focus Center. Do not write on or in the locker nor attach anything (stickers, labels, etc.). Padlocks attached to lockers will be removed at the student's expense. Academic Information

Grade Point Average The grade point average (GPA) is calculated by dividing the total amount of grade points earned by the total amount of credit hours attempted. Your grade point average may range from 0.0 to a 4.0.

The point system is:

4.0= A	3.0= B	2.0= C	1.0= D

3.3= B+	2.3= C+	1.3= D+	

All of KM's students are expected to meet a variety of state and national performance standards. The scale below outlines, in general terms, what each student should know, understand, and be able to do in each course/content area. To more effectively communicate areas of strengths or improvements to students and parents, the teachers will use the scale below to report the extent to which your child demonstrates mastery of state and national standards for each assignment/task as appropriate.

Score 4.0	A	100%	In addition to Score 3.0, the student demonstrates in-depth inferences and applications regarding more complex material that go beyond what was taught in class.
Score 3.5	A-	92%	In addition to Score 3.0 performance, the student demonstrates in-depth inferences and applications regarding the more complex content with partial success.
Score 3.0	B	85%	"The Standard." The student demonstrates no major errors or omissions regarding any of the information and processes that were explicitly taught.
Score 2.5	B-	81%	The student demonstrates no major errors or omissions regarding the simpler details and processes (Score 2.0 content) and partial knowledge of the more complex ideas and processes (Score 3.0 content).

Kent-Meridian Student Expectations

1. **Cooperate with staff and follow all classroom rules.** Students are expected to be respectful and adhere to the expectations and reasonable requests by KM staff. If a student does not follow the expectations teachers will use the PDM process outlined above.
2. **Be on time to class.** KM is a center for learning and those students that are making poor choices and who are chronically tardy to class are not permitted to continue doing so. Teachers will mark students tardy in Skyward if they are not inside the door by the end of the bell ringing. Students are considered absent from class if they are more than 10 minutes late.
3. **Come to school every day and go to class.** If you are absent make sure to excuse the absence. Parents/guardians are required to notify the school when their student is absent and can call in an absence at 253-373-7405, press 1 for Attendance. Students with unexcused absences (truancies) may be assigned after school detention.
4. **Keep moving to class during passing.** Congregation of students in hallways is prohibited to prevent safety hazards and traffic congestion. Students need to continue to move to class during passing times.
5. **Get a hall pass.** Students out of class must have KM license plate pass from their teacher and have **signed out of class** when leaving. No passes will be issued during 4th period. No passes in the first 10 minutes and the last 10 minutes of class.
6. **Do not eat or drink in the building (except cafeteria).** Water in a clear and closed container is OK.
7. **Closed campus- stay on campus and within authorized areas.** During lunch, only the courtyard, commons, East Wing lot and cafeteria are authorized. Students are not to leave campus without parents/guardians and/or school permission and need to check out at the attendance office. Students with off-campus passes for lunch are **not allowed** to drive vehicles off campus for lunch. Security or administration will ask for ID with an off-campus sticker before allowing a student off-campus. Only KM students are allowed on campus during school hours. Non-KM students must report to the main office. All visitors including outside agency/support personnel must report to the main office and show proper ID prior to receiving student and/or campus access.
8. **Keep your skate/longboards in your locker.** You may not carry them around campus during the school day and may not ride them on campus at any time. School District Policy prohibits any type of skating (skate/longboarding, skate shoes or roller blading) on campus at any time.
9. **Put away your electronic devices and focus on school.** Personal electronic devices may be used during non-instructional time (passing and lunch). Music must be listened to via earbuds or headphones only at appropriate times. **No headphones in use, in your ears, or over your ears in the classroom unless specific permission from your teacher.** If these rules are violated, electronic items will be surrendered by the student to a teacher or other supervising adult on request. Failure to surrender the item on this request will result in a code blue and may be considered Defiance of Authority which may result in suspension.
10. **Dress appropriately.** The following are **NOT** allowed at KM during the school day:
 - No clothing with inappropriate symbols (i.e. alcohol, tobacco, drugs, firearms, gang material, hand gestures, lewd pictures, profanity, etc.)
 - No revealing clothing. Students must wear a top, a bottom, and footwear.
 - No distracting headgear.
 1. Teachers are in control of their own classroom expectation and may have tighter classroom expectations than the school. For example, you may be allowed to wear headgear in the halls, around campus and in certain classes, but teachers have the right to make their rooms a Hat/Hood/beanie/dew rag/headgear FREE zone. And as a student at KM, you must respect and

follow that classroom rule while in that teacher/staff members classroom. Failure to comply with a reasonable request to remove your headgear in a space that has been clearly stated that it is a Headgear FREE zone, will be subject discipline.

2. All headgear and face-wear must be appropriate for school, just like your clothing. It cannot have drug or alcohol references, no weapons, inappropriate language or derogatory or offensive pics or words or represent any gang affiliation.
3. To make this work we need students to help monitor one another. If students are breaking this rule, either by content of the hat or refusing to respect a teacher's classroom rules, we need everyone to remind those that this is a change for the good and if people intentionally break the expectations above, this headgear freedom could be revoked.

11. Follow lunch time rules.

 - Display appropriate behaviors at all times.
