Northwood General Information

ASB MEMBERSHIP

An Associated Student Body (ASB) membership is available to all students at a cost of \$15.00. The money received from the sale of ASB memberships helps support school activities such as sports, clubs, assemblies and school wide activities. ASB membership is required to participate in after school activities; this includes sports, clubs and ASB sponsored events. Membership sales also pay for transportation, after school sports equipment, uniforms, awards and officials. ASB cards must be presented at the door when attending ASB sponsored events. Replacement ASB student cards may be purchased for \$5.00 from the cashier.

Students who are eligible for free or reduced lunch may be eligible for a fee reduction for ASB activities. Please ask the ASB cashier if you have questions regarding the cost of activities.

ASSEMBLY EXPECTATIONS

Assemblies are a time when the whole school comes together as a community. They are organized for the enjoyment of students and staff. Examples of assemblies at Northwood include quarter assemblies, music assemblies, Veterans Day assembly, and Martin Luther King Day assembly. Respect and responsibility are expected from each member of our student body at all assemblies.

ATTENDANCE – ABSENCES / EARLY DISMISSAL / FAMILY VACATIONS/ LATE ARRIVAL

ABSENCES

If a student is going to be absent from school, have a parent/guardian contact the attendance office by phone (253-373-7781), email (NWattendance@kent.k12.wa.us), written note, or online through Family Access the morning of your absence.

Absence due to illness, health conditions, medical appointments, family emergencies, religious purposes legal appointments, injury or death in the family is excused. Most other absences are considered unexcused. Upon returning to school from an absence, check with each of your teachers for make-up work.

We, the school, are required to take daily attendance and notify you when your student has an unexcused absence.

Between two and five unexcused absences in a school year, the school is required to initiate a parent/guardian conference to improve the student's attendance. During the conference with the principal or designee, student, and parent/guardian(s) the following should be considered:

- Adjusting the student's program.
- Providing more individualized instruction.
- Transferring the student to another school if space is available.
- Assisting the student to obtain supplementary services that may eliminate or improve the causes of the absences.
- Imposing other corrective actions that are deemed appropriate.

Not later than the seventh unexcused absence in a month, the school is required to initiate a written agreement with the parent/guardians(s) to improve the student's attendance. For secondary students, after the second absence and before the seventh absence, the school is required to conduct an assessment with the student to determine barriers to the students' ability to attend school.

After seven unexcused absences in a month, the school may refer the student to the truancy workshops (secondary) or file a petition to juvenile court.

After **seven unexcused absences in a month or before 15 unexcused absences in an academic year**, the district will file a truancy petition with the juvenile court. The following truancy petition procedures apply only to a student under the age of seventeen at the time the petition is originally filed.

The student has unexcused absences in the current school year. While petitions must be filed if the student has seven or more unexcused absences within any one month, or fifteen or more unexcused absences in the current school year, a petition may be filed earlier. In addition, unexcused absences accumulated in another school will be counted when preparing the petition.

Attesting that actions taken by the school district have not been successful in substantially reducing the student's absences from school.

Court intervention and supervision are necessary to assist the school district to reduce the student's absences from school.

EARLY DISMISSAL

Excused early dismissals will be issued for pre-arranged medical/dental appointments. Other requests by parent/guardian(s) for students to leave school early will be granted, but may be considered unexcused. **A parent /guardian will need to come to school, show ID, and sign out the student through the office.** Students will only be released to adults who are authorized per registration information. **STUDENTS MUST SIGN OUT IN THE OFFICE BEFORE LEAVING THE BUILDING!**

If a student is feeling ill, they are to ask to see the nurse. The nurse/health tech will help evaluate symptoms and assist the student in contacting a parent/guardian while in the health room when necessary.

FAMILY VACATIONS

Pre-planned absences of less than 20 days usually require only parental/guardian permission by way of a phone call, fax, email, or written note explaining the reason for the absence and the dates involved. The absence must meet the criteria listed in Policy 3122 for the absence to be considered excused. Additional documentation (such as a doctor's note) may be required by the principal. Students are responsible for completing all assigned coursework from the student's absence.

For pre-planned absences extending to or beyond 20 days, students and/or parent/guardian(s) are required to make an appointment with an administrator at the school prior to the absences occurring. A student with 20 or more consecutive days of absences may be withdrawn from the school and may not be able to be placed back in the class or even the school in which they were previously enrolled.

Please try to schedule extended trips during scheduled school vacation periods (summer, winter, mid- winter

and spring breaks).

For pre-arranged family trips:

- Have your student contact the student's teacher via email or check the teacher's Canvas for assignments that will be missed.
- Teachers may require make-up work to be completed before the trip. Otherwise, if an absence is excused, a student will be permitted to make up all assignments outside of class time, under reasonable conditions and time limits established by the appropriate teacher, except that in participation-type classes a student's grade may be affected because of the student's inability to make up the activities conducted during a class period.
- If the absence occurs at the end of a grading period, all course requirements must be completed prior to leaving.
- School attendance is important, and an extended absence may impact a student's grades and/or academic progress.

LATE ARRIVAL TO SCHOOL

At Northwood we value the time students spend at school. Tardiness to school is strongly discouraged. Parent/guardian(s) are asked to ensure that their student arrives at school prior to the formal starting time, 8:15am. Students are responsible for being in class on time at the start of the school day. A student who arrives to class after 8:15am is considered tardy. Students who arrive late to school, after 8:20 a.m., shall report to the Attendance Window to obtain an admit slip. Late arrivals due to illness, medical or legal appointments will be excused. Other late arrivals (including those due to failed alarm clocks, car trouble, power failure, etc.) are considered unexcused. Excessive unexcused late arrivals may result in disciplinary action.

TARDINESS TO CLASSES

Tardiness is not desirable and unexcused tardiness is not acceptable at Northwood. It is a disruption when students arrive late to class. Students are given adequate time between classes, and it is the student's responsibility to arrive to class on time. Students who have unexcused or repeated tardiness will have consequences that may include lunch detention or afterschool detention.

BICYCLES, SKATEBOARDS, ROLLERBLADES, AND SCOOTERS

Bicycles are to be locked to the bike racks during school hours. Bicycles are the responsibility of the students. ***Skateboards, scooters, Heelys, and rollerblades are not to be ridden on campus. Students must check skateboards, rollerblades, and scooters into the office upon arrival at the Northwood Campus.*** Skateboards, rollerblades, and scooters are the responsibility of the students. Northwood is not responsible for lost, stolen or damaged property.

BUILDING HOURS

The building opens at 7:55 am. Students must leave promptly at the end of the school day unless they are taking part in athletics or other school-sponsored activities. If you have not been picked up by 3:05 pm (or 1:05 pm on Wednesdays), you may be directed to wait inside or by the office. Always take your books and materials with you to your activities because the building is locked after school. All students must report to designated supervision areas.

- Northwood is a closed campus.

- Students staying for supervised after-school activities are expected to remain on campus until dismissal from that activity. Students remaining on campus after school MUST be in a supervised activity
- Students are allowed on campus at 7:55 am. Students should not arrive earlier than this time unless in a supervised activity.
- Students are to be off campus after 3:05 pm Mondays, Tuesdays, Thursdays or Fridays OR 1:05 pm on Wednesdays unless in a supervised activity.
- Students are required to stay on-campus once they have arrived except for off-campus field trips or early dismissals.
- During lunches, students must remain in the commons, library, or back courtyard (during the last 15 minutes of lunch and a supervising adult MUST be outside first). They must stay clear of all classrooms during lunch unless they have an appointment with a pass to a classroom.
- Students are to stay in the commons, outside, or library while waiting for classes to begin in the morning, unless they have an appointment with a teacher which requires a pass from the teacher.
- **Once students leave campus after school they may not return unless accompanied by an adult.**

BUS SERVICES

Remember that according to state law, the bus driver is in charge of the bus and its passengers. You must obey the driver promptly and willingly or you may lose your bus-riding privileges. Good bus behavior is based mainly upon respect for others and safety. Please note: all school rules apply on buses. Students are only allowed to ride the bus to which they have been assigned by transportation. **Prior approval must be obtained from transportation (253-373-7442) for a student to ride a different bus. The school does not have the authority to give this permission.** Students must show the student's student ID cards to ride the bus.

CASHIER

Payments can be made at the Cashier's window by cash, check or card for the exact amount of the purchase. Checks should be made out to Northwood Middle School. All checks returned "NSF" will be subject to a \$25 returned check fee. Payments can also be made online.

Online Payment Access: From the Northwood website, go to the Shortcuts and choose Online Payments to connect to <https://wa-kent.intouchreceipting.com/> First time users will need to create a password for the system. Parents/guardians will use their skyward Username along with the newly created password to sign in. You can shop by student, and you can shop for all students in one transaction if you wish. Select the items you want from the categories listed, place them in your cart and complete the checkout process. You should receive an order confirmation in your email. Fines, if any, will show up in red as you access your student, these can be added to your cart for payment. You may also go to the Reports Section in the Online Payment System and click on Purchase History to see everything that has been purchased for your student whether online or at school. This is a great place to look when you cannot remember if you have ordered a yearbook.

Refunds can be made back to the card used to purchase. If paid by cash or check, refunds will either be to On Account and available for future use or a warrant request prepared by the cashier, sent to the District Office for a check to be sent home.

CELL PHONES, ELECTRONIC DEVICES, AND THEIR ACCESSORIES

Cell phones, electronic devices, and their accessories (earbuds, headphones, AirPods, etc.) have increased student distraction in our learning environment. Northwood will have a no cell phone, electronic device, and their accessories policy in the school building for the 2022-2023 school year. Cell phones, electronic devices, and their accessories, are to be turned off and placed in backpacks prior to entering the school building.

We understand that our students sometimes wish to use cell phones to communicate with parents/guardians to confirm after school plans, a forgotten item at home, etc. For this reason, students will be given a **tech time** in the commons daily during the student's lunch time. Tech times are confined to the commons and any cell phone, other electronic device, and their accessories must be turned off and returned to a student's backpack prior to leaving the commons. Please refer to the daily and Wednesday Bell Schedules to see when your student will be provided with an opportunity for a tech time. If you need to contact your student outside of the student's assigned tech time for an emergency situation, please call the office at 253-373-7780 and we can get a message to them.

While the expectation is for all cell phones, electronic devices, and their accessories be placed in bags for the school day, students who do not comply with this policy will have the student's item confiscated either for a class period or for the remainder of the day and are subject to disciplinary action that may include: lunch detention, after school detention, items to be turned in daily to the office. A student can pick up the student's confiscated item from the office at the end of the day on the first offense. If a student's item is confiscated to the office for a second time, the item will be returned to a parent/guardian. If items are confiscated to the office more than twice, the student may be required to keep the student's items at home or to turn in the student's items daily to the office.

CLOSED CAMPUS

Northwood has a "Closed Campus." This means that students must stay on campus once they have arrived. This applies even before classes begin at 8:15 am. If, for example, your bus arrives at 8:05 am, you are to stay on campus from your arrival time until the end of the school day. If your parent/guardian(s) drop you at school, you must remain at school. If you leave for any reason, you will be considered truant. We will contact your parent/guardian(s) and follow-up with school discipline.

Northwood's "Closed Campus" also means that ALL visitors must be processed through the office. Visitors will only be allowed access to the school for educational or other related purposes. (See the Visitors section of this handbook for more information)

COMMUNICATIONS

Announcements are provided daily to students via the student's school email. We recommend students check the student's Outlook Email daily when turning laptops on to see the announcements and to get in a routine of checking email for important information.

Northwood teachers use Skyward to communicate academic progress and grades.

Northwood's website contains a wide variety of information about the school including our staff e-mail addresses, monthly newsletter, and links to Skyward Family Access. <http://www.kent.k12.wa.us/NW>

COMPUTERS

Part of the Kent School District's responsibility is preparing our students for the 21st century and providing

them with access to the tools they will be using as adults. Digital Citizenship lessons will be provided to students in the fall. Topics include safety, security, digital life, privacy, digital footprints, culture, cyberbullying, self-expression, and identity. Below are some guidelines and principles for appropriate use. The complete Electronic Resources policy ([2022P](#)) can be found on the Kent School District Website.

- School laptops should only be used for schoolwork and educational applications.
- Do not download any .exe files onto your computer.
- Do not visit gaming websites or download games.
- Do not visit social networking sites.
- Do not share your ID number or password with others.
- Anyone caught using someone else's account will be in violation of the KSD Acceptable Use Policy (AUP). Both parties will be disciplined, and this includes loss of privileges.
- Food, drink, and gum are not allowed near computers.
- Using computers is a privilege. All school rules apply to the computers when using the internet and network.
- Fines may be issued for lost/stolen/damaged components.
- Persistent misuse/violation of rules may result in loss or limited use of laptop privileges for the year.

BUYING, SELLING, BETTING

No buying or selling will be allowed on school property unless authorized by the school administration. Betting and gambling are not permitted on school property

COUNSELORS

Northwood has an excellent counseling program. A counselor is available throughout the day to help students with situations and/or problems. If you would like to meet with your counselor, send them an email to make an appointment.

Northwood Middle School has two counselors, Brenda Ellison and Renee Damerow. We have found it effective to divide the students by grade which allows the students to have the same counselor for both years of middle school. Ms. Ellison handles the 8th grade class this year and Mrs. Damerow works with the 7th grade class. If you need to reach a counselor, it is best to call and/or email to make an appointment during the hours of 8:15 am and approximately 3:15 pm. With a caseload of nearly 300 students for each counselor, please understand that it might take a day or so to receive a response. Contact information is as follows:

Ms. Ellison (8th Grade) (253) 373-6631 Brenda.Ellison@kent.k12.wa.us
Mrs. Damerow (7th Grade) (253) 373-6633 Renee.Damerow@kent.k12.wa.us

Students are not to share gym lockers with unauthorized students. Students who violate this rule may be putting the student's personal property at risk. The school is not responsible for lost, stolen, or damaged goods belonging to students. It is unwise to have valuable items in your locker.

Lockers are school property and may be opened by school authorities at any time when it is necessary. If you have locker problems, check with the Health and Fitness office.

Locker inspections will be made periodically. If you need to bring a lock from home, check with the Health and Fitness teacher first. If a lock is brought from home, you must give the combination to the Health and Fitness teacher.

GYMNASIUM USE

Due to insurance regulations, the use of any areas of the building must be under the direct supervision of a staff member.

Please help protect our gym floors by wearing appropriate shoes in the gym and by keeping food and drink out of the gym.

HARASSMENT, INTIMIDATION & BULLYING (HIB)

The Board is committed to a safe and civil educational environment for all students, employees, parent/legal

guardians, volunteers, and community members that is free from harassment, intimidation or bullying. "Harassment, intimidation or bullying" means any intentional written message or image--including those that are electronically transmitted--a verbal or physical act, including but not limited to one shown to be motivated by any characteristic in RCW and 28A.642.010, or other distinguishing characteristics when the act:

- Physically harms a student or damages the student's property;
- Has the effect of substantially interfering with a student's education;
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Conflict is a natural part of life. People view things differently, have disagreements, treat each other mean at times. It is important not to label conflict/fighting as bullying. Schools use these guidelines to help determine if this is a conflict or a situation of HIB. Please note that the school will act in both cases.

Other Conflict/Fighting	Bullying
Between friends/equals/peers	Not friends/imbalance of power
Spontaneous/occasional	Repeated over time
No serious or lasting harm	Physical or emotional harm
Accidental/not planned	Intentional
Equal emotional reaction by both students	Unequal emotional reaction
Not for domination or control	Seeking control/possession
Often a sense of remorse by aggressor	No remorse by aggressor, blames targeted student
Desire to solve the conflict	No effort to solve the problem

How to report Bullying

Suspected bullying can be reported to any adult at the school in person, over the phone, by email or by downloading and filling out the [HIB Report Form](#) and submitting it to the office. Common individuals that students often report bullying to include counselors, safety officers, and principals/assistant principals.

Your report will initiate an investigation which in most cases will be completed within a week. You and/or your parents/guardians will be informed of the outcome of the investigation. The school will work with you to decide the next steps to help address the issue. If you and/or your parents/guardians disagree with the decision of the investigation you can appeal the decision.

Sexual Harassment

This District is committed to a positive and productive education free from discrimination, including sexual harassment. This commitment extends to all students involved in academic, educational, extracurricular, athletic, and other programs or activities of the school, whether that program or activity is in a school facility, on school transportation or at a class or school training held elsewhere.

Definitions

Sexual harassment is unwelcome behavior or communication that is sexual in nature when:

- A student or employee is led to believe that they must submit to unwelcome sexual conduct or communications to gain something in return, such as a grade, a promotion, a place on a sports team, or any educational or employment decision.
- The conduct substantially interferes with a student's educational performance or creates an

intimidating or hostile educational or employment environment.

Examples of sexual harassment include:

- Pressuring a person for sexual favors.
- Unwelcome touching of a sexual nature.
- Writing graffiti of a sexual nature.
- Distributing sexually explicit texts, e-mails, or pictures.

HEALTH AND FITNESS

Every student enrolled in Health and Fitness at Northwood Middle School participates in a full program of daily activity. A student must be completely dressed in workout clothes in order to receive full credit for the day. Required clothing includes t- shirt or sweatshirt, shorts or sweatpants, socks, athletic shoes, and appropriate supportive undergarments.

To help students acquire the 24 High School credits required for graduation, our 8th grade Health & Fitness program will align with the 9th grade Health & Fitness Standards allowing students the opportunity to earn 0.5 High School credits.

IMMUNIZATION LAW

In order to protect you from a number of childhood diseases, Washington State law requires that all children admitted to public school be immunized against diphtheria, tetanus, pertussis (whooping cough), polio, measles, rubella (German measles), Hepatitis B and mumps. Incomplete or missing records may result in a student being excluded from school. If you have any questions, ask in the nurse's office.

LIBRARY

The library is generally open for student use before school, during lunchtime, and after school. This is a place to read, finish homework, play cards and board games, or visit with friends. Behavior in the library is expected to be respectful and courteous so that those studying, and reading can focus. Please be aware, this is a no phone zone.

Books from the general library collection may be checked out for three weeks. The library is equipped with a book security system and books not checked out will trigger the alarm. To protect our books and technology, food, candy, and beverages must be consumed in the commons before entering the library.

Stop by and check it out!

LOST AND FOUND

Please note that the school is NOT responsible for lost or stolen items. We strongly advise you not to bring items of value to school. When in Health/Fitness class, be sure to lock up all property. Also, mark with a permanent marking pen your clothing, coats, and such. This enables us to return lost items. All lost and found items must be claimed by the last day of each semester/quarter. Please check appropriate lost and found locations, office, commons and locker room, for your item.

MEDICATION

Medications cannot be taken at school unless approved by a health care provider, proper paperwork is completed and approved by the school nurse.

If the medication is to be taken while the student is at school, the following paperwork must be on file with the school, found on the website or available from the health room:

- An Authorization for Administration of Oral Medication at School form completed by the child's health care provider identifying the medication, the dosage, the time of day to be administered, how long it is to be taken and the authorization for the school to administer, and
- Parent/guardian(s) signature(s) requesting the school to administer the medication.

The medication should be brought to the health room immediately upon arrival at school along with the required paperwork.

Students in possession of medication in violation of the above guidelines may be subject to discipline under the illicit drug section of the KSD discipline policy.

NURSE

The nurse and health technician are here on a limited schedule. Students who become suddenly ill should always communicate this to a staff member so that assistance can be provided. Do not report to the nurse between classes unless it is an extreme emergency. Always go to class first and get a hall pass to the health room, so your teacher will know where you are. **Students will not be permitted to contact parents/guardian(s) from the classroom.** Parents/guardian(s) will be contacted by the office or health room.

OFFICE HOURS

The office is open for public business from 7:55 am to 4:00 pm Monday through Friday on school days.

SPORTING EQUIPMENT

Northwood Student Athletics and Activities Information

NORTHWOOD AFTERNOON AND EVENING ACTIVITY POLICY

During the school year, there are a number of afternoon and evening school and PTSA-sponsored activities including dances and athletic events. To help maintain accountability, we have some policies that you must follow at these activities.

1. Students must attend school by the beginning of 3rd period to attend the activity, and the missed time must be excused.

Northwood Student Expectations

ACADEMIC HONESTY AND INTEGRITY

Students are expected to take responsibility for learning and experience the pride that accompanies academic achievement.

Students:

- must do the student's own work and submit only the student's own work on assignments (including homework), examinations, reports, and projects, unless otherwise permitted by the instructor.
- may benefit from working in groups. They may collaborate or cooperate with other students on graded assignments or examinations as directed by the instructor.
- must follow all written and/or verbal instructions given by instructors prior to taking examinations, tests, quizzes, and performance evaluations.
- are responsible for adhering to course requirements as specified by the instructor in the course syllabus.

To falsify or fabricate the results of one's research; to present the words, ideas, data, or work of another as one's own; or to cheat on an examination corrupts the educational process, impedes a student's academic progress, and compromises the trust between teacher and student that is fundamental to the learning process. Actions constituting violations of academic integrity include, but are not limited to, the following:

- **Academic Misconduct:** the intentional violation of school policies, such as tampering with grades or taking part in obtaining or distributing any part of a test or any information about the test.
- **Cheating:** the use or attempted use of unauthorized materials, information, study aids, or devices; or an act of deceit by unauthorized copying or collaboration. Copying another student's homework without direction or approval from the teacher is considered cheating.
- **Collusion:** assisting another to commit an act of academic dishonesty, such as paying or bribing someone to acquire a test or assignment, taking a test or doing an assignment for someone else, or allowing someone to do these things for one's own benefit.
- **Fabrication:** intentional misrepresentation or invention of any information, such as falsifying research, inventing or exaggerating data, or listing incorrect or fictitious references.
- **Plagiarism:** the use of another's words, ideas, data, or product without appropriate acknowledgment, such as copying another's work, presenting someone else's opinions and theories as one's own, or working jointly on a project and then submitting it as one's own.

Cell phones and electronic devices are not permitted during class time. If a cell phone or electronic device is seen in the student's possession during a test or quiz, a score of 0 for that test or quiz may be given irrespective of how the device was being used. A student caught with a cell phone or electronic device during a test or quiz will be told immediately by the teacher and the teacher will contact a parent/guardian.

DRESS CODE - PERSONAL APPEARANCE

The Northwood Dress Code is in alignment with Kent School District Board Policy 3224 Student Dress and Appearance and OSPI guidelines for prohibiting discrimination. Student dress and appearance will be such that the safety and well-being of all students and a beneficial learning environment are maintained. Student choices in matters of dress and appearance should be made in consultation with the student's

parent/guardian(s). The primary responsibility for a student's dress and appearance resides with the student and parent/guardian(s).

Student dress and appearance will not:

- Create a health or safety hazard.
- Damage school property.
- Create or perpetuate a hostile environment.
- Create a material and substantial disruption of the educational process.

Student dress and appearance may be regulated when, in the judgment of school administrators, one of these expectations has been violated.

Northwood classes may have specific dress and appearance requirements for health and safety such as appropriate attire for physical education classes, CTE classes, and science classes.

Student attire and appearance will be free of violent language or images, hate speech or images, profanity and pornography. Attire and appearance will also be free of any images or language that creates a hostile or intimidating environment based on a student's gender, gender identity, race, ethnicity, religion, ability status, sexual orientation or other protected class.

For this policy, a material and substantial disruption of the educational process may be found to exist when a student's conduct is inconsistent with any part of the educational mission of the Kent School District. Prohibited conduct includes the use or promotion of obscene, lewd, racist, violent, sexual, gang, drug, alcohol or tobacco-related images and/or messages.

Other Dress Code Information:

- Students will dress so that the student's private parts are covered with materials that are not see-through at all times.
- Students will wear a "top" with fabric that covers the front, back, and sides under the arms to cover the majority of the torso.
- Students will wear a "bottom" for example jeans, pants, skirt, sweatpants, leggings, shorts to cover the buttocks and upper thighs.

Cell Phones: Cell phone and electronic use is only permitted in the Commons during your lunch break. Cell phones, electronic devices, and accessories are to be turned off and stored in backpacks prior to exiting the Commons.

Failing to comply with the Electronic Device Policy will result in the electronic device or accessory being turned in, and possible disciplinary consequences including but not limited to lunch detention, after school detention, the need to turn in your device or accessory to the office.

HOMEWORK

Parents and students can expect that secondary students will have homework that serves to provide practice, enrichment, and assessment opportunities. The amount of time required to complete it will vary with the time of the school year, the activity being done, and the courses in which the student is enrolled. Homework is important and contributes to a student's grades, so it is recommended that parent/guardian(s) monitor progress and completion. Students in music should expect to practice thirty minutes per night in addition to the homework in the student's academic classes.

During an extended illness, email your teachers or contact your counselor for assistance in getting missed work.

STUDENT HOMEWORK RESPONSIBILITIES

- **Tech Time:** Only inside the commons. Sounds can only be heard through headphones. Cell phones, electronic devices, and their accessories must be turned off and placed in backpacks whenever you leave the commons. Tech time is not allowed outside of the commons. Do not try to contact friends who are in class.

PUBLIC DISPLAYS OF AFFECTION

To maintain high standards of conduct, all students should refrain from public displays of affection in the school building, on school property, or at school-sponsored events. Public displays of affection include, but are not limited to, prolonged hugging, kissing, etc.

RESPECT & RESPONSIBILITY OF POSSESSIONS

Students are responsible for the student's own possessions and are expected to protect the student's possessions from damage or theft at all times. Students are also expected to be respectful of the possessions of others.

Students are highly discouraged from bringing any personal items of value to school. Northwood does not take responsibility for theft of personal belongings.

STUDENT BEHAVIOR GUIDELINES AND MANAGEMENT

Northwood students are expected to behave in a professional and courteous manner while at school and at all school sponsored events (both on and off KSD premises). Behavior that is inappropriate, unsafe, or disrespectful of others, the student's possessions or of school property could be cause for discipline.

Northwood students are expected to demonstrate Northwood's Core Values Respect, Responsibility, Empathy and Integrity at ALL times while on school premises (or in reasonable proximity thereof) or off school premises at any school-sponsored activity or in our community.

We believe that a student management system across a school should be predictable, consistent, and

promote positive, professional behaviors. Therefore, we start with teaching, prompting, and acknowledging positive behaviors. At Northwood, we place an emphasis on **respect, responsibility, empathy, and integrity**. We use these four core values to establish behavioral expectations in the halls, classrooms, office, bathrooms, and outside.

POSITIVE INCENTIVES - JAG BUCKS

At Northwood, we strive to promote relationships and learning opportunities which foster scholarship, leadership, creativity, and individuality. In recognition of the positive student behaviors and efforts demonstrated, Jag Bucks can be awarded to students by staff members. Jag Bucks can be spent in various ways throughout the year.

Multi-Tier System of Supports-Behavior (MTSS-B)

In order to support a safe and productive learning environment, we expect all Northwood students to follow the building procedures and district policies. Teachers will track minor incidents for each student. Northwood staff will communicate with parent/guardian(s) to provide support for students to develop and promote positive school behavior.

Some Incidents are referred to the Principal or Assistant Principal for follow up. Parent/guardian(s) will be notified when a referral is entered and after consequences have been determined.

At Northwood, staff members work with students in a number of ways to improve behavior. Students are given multiple opportunities to correct minor misbehavior in the classroom prior to involvement from administration. At Northwood we believe in a system of support for students to make positive decisions and to correct misbehavior. At Northwood we believe in restorative justice practices. Mediation and circles are techniques used to repair broken relationships. Failure to correct behavior after multiple opportunities could result in conferences, reflections, mediation, circles, detentions during lunch or after school, and removal from class.

Discipline Guidelines

When behavioral expectations are not met, Northwood staff will:

- Attempt interventions and explain where expectations are not being met.
- Give students the opportunity to explain the student's behavior prior to assigning discipline.
- Contact parent/guardian(s).
- Document incidents to record behavior and actions taken.
- In some circumstances send a referral to administration to follow up.

If assigned a lunch detention,

- A reminder will be given to students on the day they are to serve the lunch detention.
- Wait by the lunch lines at the start of lunch for the staff member supervising detention. Purchase the student's lunch if necessary.
- They are unable to participate in Tech Time.

FOCUS ROOM (In-School Suspension/Detention Room)

The Focus Room is used for In-School Suspension, detentions, and removal from class. While in the Focus Room you are expected to:

1. Follow all school rules.

2. Complete a reflection.
3. Complete schoolwork for classes missed or missing assignments.

In-School Suspension (ISS) is an alternative to out of school suspension. As an intervention strategy, students may be placed in the Focus Room for ISS for a partial day, full day, or longer. Parent/guardian(s) will be notified if a suspension is being considered. Any student serving a suspension will result in no after school activities on that day.

DEFIANCE OF SCHOOL AUTHORITY

Defiance means the refusal to obey reasonable requests, instructions, and directive of any school personnel (including volunteers or contractors working for the school) pertaining to the orderly operation of the school. Directives regarding safety need to be followed immediately. Talking back to school personnel is also considered defiance. Acts of defiance will result in a referral. Failure to identify oneself promptly and correctly to any Kent School District staff is considered defiance.

TARDIES

Students must be on time for every class. This means that you are present in the classroom when the bell rings. When students arrive late, they miss essential information and can disrupt instruction and impact the learning of others. Repeated tardiness will be addressed with student, teachers, counselors, administration, and parent/guardian(s). Students who have unexcused or repeated tardiness will have consequences that may include lunch detention or afterschool detention.

TEXTBOOKS

Books are provided by the school for some classes. Textbooks are your responsibility which means you should handle them with care. Students will be notified of any fines that may result from damage that occurs to textbooks issued to them or from lost books. The return of class materials is important, and your grades may be held if you fail to meet this obligation.

TRUANCY

Absences that are not explained by an approved written or verbal excuse from a parent/guardian are considered truanies. Truancy is considered a Major Behavior issue and will result in an Office Referral for each instance. Discipline for truancy may include the following consequences; after school detention, lunch detention, and/or attendance contracts.

A student is truant for disciplinary purposes when one or both conditions below are met:

- The student comes onto school property and then leaves without permission before the school day ends and/or
- Remains on school property but does not attend one or more periods.
