

# Kent School District - 2022-23 Family Income Survey

Dear Parent/Guardian:

Schools receive certain federal and state funding (Learning Assistance Program, teacher incentives, etc.) based on the number of children from households that are at or below the federal poverty level. This Family Income Survey provides your child's school/district a way to collect household income information. This information makes sure your child's school receives the full amount of federal and state funding and makes sure your child receives services they are entitled to when free/reduced price applications are not collected.

It is important that you complete this survey. Please complete and return this form to your school or the KSD Nutrition Services Department as soon as possible to ensure services are provided when needed.

**Note:** If you have already completed this survey, the [Meal Apps Now survey](https://www.kent.k12.wa.us/page/12849), or are a Direct Certified Family from the state and want your family and student(s) to be eligible for fee waivers provided for and defined by House Bill 1660 ([www.kent.k12.wa.us/page/12849](https://www.kent.k12.wa.us/page/12849)), you may **skip to and complete Part 3 & Part 4** of this survey and return the form to your school or the KSD Nutrition Services Department.
