

Dear Parent or Guardian,

The state legislature has passed a law requiring Washington State public schools to collect information on military affiliation. (Bill 5163).

The purpose of this data collection is to allow educators and policymakers to monitor critical elements of education success, including academic progress and proficiency, special and advanced program participation. Reliable information about student performance will assist educators in more effectively transitioning students to a new school and enable districts to discover and implement best practices.

.....  
Please fill in the following information and return it to one of your student's schools. You may fill out one form for the entire family.
