

## **2020-2021 iGrad Student Acknowledgement of Student Expectations**

### **Discipline**

We work to ensure that our schools are safe, positive learning environments. Rules are established to ensure order in the school and classroom for learning to occur. A student who is in violation of school rules deprives themselves and others of the opportunity to learn. Refusal to comply with written and verbal rules and regulations established while at iGrad or on other Kent School District property may result in disciplinary sanctions ranging from an early mandated departure from school campus for the day to additional sanctions including suspensions, expulsions, and involuntary unenrollment.

Please make time to read the iGrad “Tips for Success” handout, and the 2020-2021 KSD publications “Annual Notices and Other Useful Information” and “Responsibilities, Rights, and Due Process in the KSD” pamphlets. These KSD publications along with the full version of the 2020-2021 KSD Student/Parent Handbook can be found at iGrad in each classroom once available or electronically at <https://www.kent.k12.wa.us/Page/11782>.

Disciplinary sanctions may be issued for a variety of infractions. Some of the infractions include the following categories: Assault, Defacing or destruction of property, Arson, Repeated Defiance of School Authority, Fighting or Fighting Involvement, Gang Conduct, Drugs/Alcohol and Other Prohibited Chemical Substance, Harassment, Intimidation or Bullying, Lewd and/or Obscene Behavior, Theft/Stealing, Threats of Violence, Tobacco/Nicotine products-use or possession, Unsafe Behavior, Weapons, Disruptive Behavior of the Educational Setting, Disruptive Dress, and Absences.

## **Dress Code**

Student dress must be appropriate for school and the work setting. Dress and appearance must not present health or safety problems, cause disruption, or create a risk of disruption at school, or school-sponsored activities. Students whose dress may cause distraction to the educational environment or is deemed inappropriate for a work setting may be asked to change or go home.

- Sunglasses are not allowed to be worn in the building during the school day.
- Students may not wear clothing and/or accessories that:
  - Advocate or convey alcohol or drug usage messages
  - Promote violence or illegal activity
  - Demean or degrade individuals or a group of people
  - Exhibit sexual innuendoes, blatant sexual messages, vulgarity, profanity, or other inappropriate language
  - Is determined by admin and/or local law enforcement to be affiliated with gangs, including bandanas and other paraphernalia

If you have questions about iGrad's dress code, please see your administrator and work site supervisors as appropriate.

## **Cell Phones**

The use of cell phones is allowed outside of the school building away from public entrances. Cell phone use in the classroom, hallways, foyer, and bathrooms is not allowed as it disrupts the learning and building environment.

## **Digital Resources**

All students will have 1:1 access to KSD computers while at school unless a 1:1 laptop has been provided. The use of district technology comes with responsibilities. Students and staff use of computers and personal electronic devices at school is for education and research. Students using personal electronic devices at school must comply with all federal and state laws, as well as

applicable district policies and procedures. Please review the “KSD Electronic Resources Use Permission Form” given. Also, please view the KSD Acceptable Use Policy 2022 for more details. It can be found at <http://www.kent.k12.wa.us/boarddocs>. All students will need headphones or ear buds when accessing computers. The volume level should be audible only to the individual student.

## **Medication**

For a student to have and take medication at school (even over-the-counter medications), a licensed healthcare provider’s order for medication must be on file at school. Visit our nurse for forms and full information.

Medication may not be transported to or from school by students. Any unused medication must be picked up by parent/guardian/adult student after the school year or the designated school staff will properly dispose of it.

Under certain conditions, students may be allowed to carry prescribed inhalers and/or prescribed Epi Pens for asthma or severe allergies.

Written directions for this must come from both the parent/guardian or adult student and the physician. The school nurse shall consult with the parent/guardian or adult student and/or physician before the student can carry a prescribed inhaler. If you have any questions regarding medications at school, please contact your child’s school nurse.

## **Student Visitors**

iGrad is a closed campus — there are **no student visitors** allowed at school during the regular school day.

## **Attendance**

School attendance is closely correlated with student success in school and on the job. Please let us know what supports you need to remove the barriers so you can access your education. If you know that you will not be attending school as agreed, please call the iGrad attendance line at 253.373.7985 to report your absence as appropriate. Frequent absences from school may lead to an

involuntary withdrawal, placement in a different iGrad pathway, or transition to a different school that can capitalize on your talent and potential.

**I am a student who knows what is expected of me.** I am the only person who can control my actions, attitudes, and behavior. As an iGrad student of good character and personal integrity, I agree that I will use appropriate language, attend class regularly, arrive to class prepared to learn, obey school rules and the directions of school staff and admin. Also, I will adhere to the rules and policies of iGrad and Kent School District.

**I know** I will and should be held accountable for the choices and decisions I make, and I cannot negotiate or determine my consequences.

**I know** that I can and will achieve academic, social, behavioral, and career success.

**I know** that iGrad’s staff and admin are here to ensure that I have a successful educational journey, and I can **proactively** partner with them to share my needs, commitments, and what works best to help me reach my goals.
